

To access Wi-Fi

1. Unlock the headset by selecting settings gear icon

2. Then select "Unlock Advanced Settings"

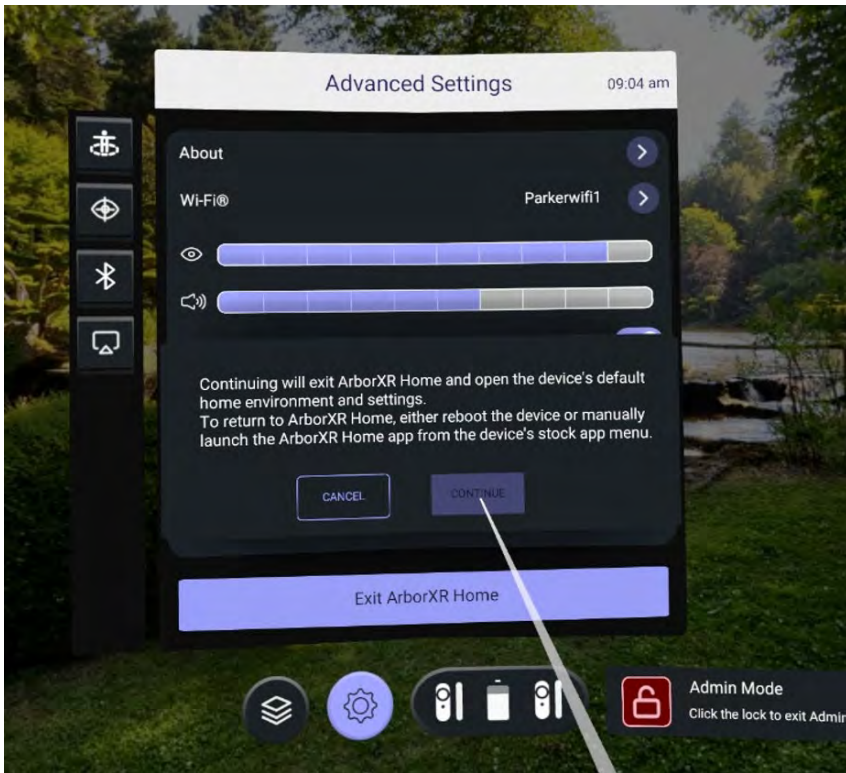

3. Enter "A320POC" then select "Unlock Settings"

4. Then select "Exit Arbor Home"

5. Then select “Continue”

6. Then select the Wi-Fi icon

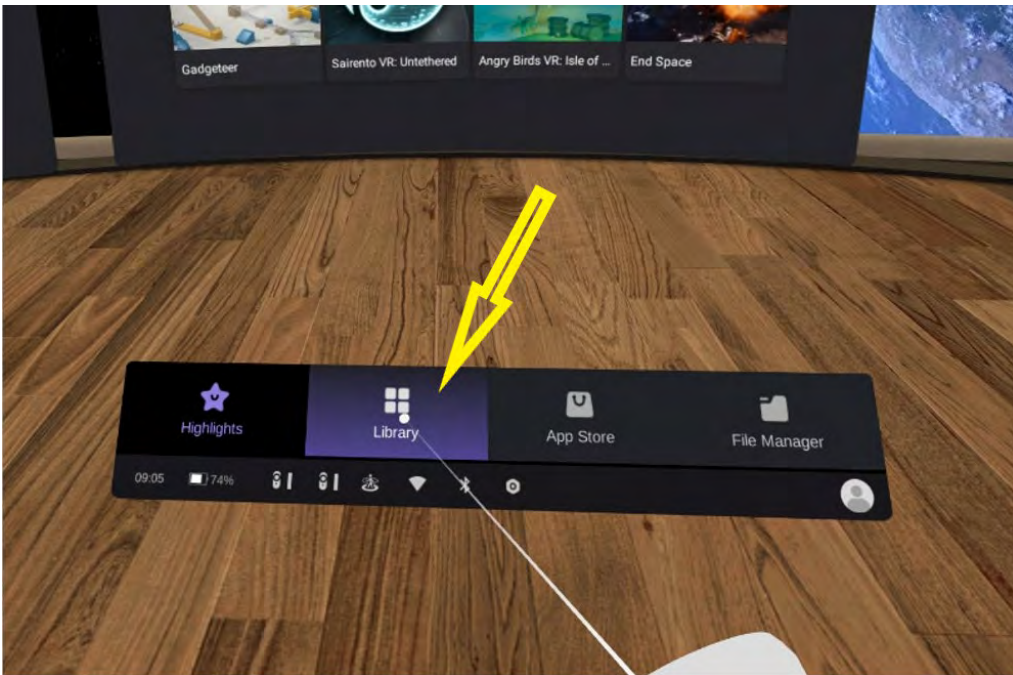

7. Sign-in to your Wi-Fi network

8. Then select the X

9. Select "Library"

10. Then select the "Arbor XR Home" App and you will now see a new A320 JetBlue POC app
